

Year 4 Remote Learning

<p><u>Reading and Writing</u></p> 	<p>In English, we have explored a range of text types over the half term. The story of <i>The Dark</i> by Lemony Snickett. It explores the fear a little boy named Lazlo has of the dark and how he conquers that fear. Click here to download the story. Then complete your task: English Task</p> <p>Now sit back, relax and let's re-read Chapter 1 of <i>Charlie and The Chocolate Factory</i> which is our 'Guided reading' from this week and complete the task in your Google Classroom Guided Reading Task.</p>
<p><u>Spellings</u></p> 	<p>Explore the activities on Spelling Shed that focus on the spelling rules we've been learning this week! Click the link below to access this week's learning, log in, and take part in our Friday spelling quiz.</p> <p>Here are the sounds we've been practicing in our spellings. Click on the link below to complete the spelling activities.</p> <p>Words ending in -sion worksheets</p>
<p><u>Maths</u></p> 	<p>In Maths, we have been learning about number bonds, multiplication and Division, addition and subtraction. Feel free to click any of the links above to revisit and practice these skills using the interactive learning tools. You can play these games as many times as you like—challenge yourself to beat your previous score! Good luck!</p> <p><i>Don't forget to practise your times tables every day on TT Rockstars!</i></p>
<p><u>Topic</u></p> 	<p>In Geography, we are learning about Rivers. Over the next few lessons we will be looking at The Water Cycle and how water moves around the Earth and changes state to liquid, gas or solid.</p> <p>Let's begin by using the link above to find out more and then you could draw and label your own water cycle: Water cycle task</p> <p>In History, we studied The Ancient Egyptians. To remind of the learning we have already completed, click the link and watch the video. Don't forget to tell your grown up all the fun facts we studied.</p>
<p><u>Science</u></p> 	<p>In Science, we have been exploring states of matter. Complete the lesson's video and slides on Solids, Liquids and Gases. Use these lessons to revisit what you already know and get ready to share your learning with me. You have also been set a Science based homework on Google classroom - please complete this in addition to your learning on BBC bitesize.</p> <p>Explore some more learning here on BBC Bitesize.</p>
<p><u>Other</u></p> 	<p>Don't forget to read, read, read whilst you're at home! This might be magazines, books, websites or even recipes if you do some cooking with your family! You can write all of this in your reading record and earn some raffle tickets when you're back at school!</p> <p>Don't forget you have access to <i>TTRockstars</i>, <i>Numbots</i>, <i>MyMaths</i> games and more!</p>
