

Year 3 Remote Learning

<p><u>Reading and Writing</u></p> 	<p>In English, we have explored a range of text types over the half term. The story of the egg by M.P Roberston. Explores the adventures of a little boy who finds an egg and gets it to hatch. Click here to download the story and the task and complete the learning to sequence the story, answer the questions and share your learning on google classroom.</p> <p>Now sit back, relax and let's re-read our 'Guided reading' from this week.</p>
<p><u>Spellings</u></p> 	<p>Explore the activities on Spelling Shed that focus on the spelling rules we've been learning this week! Click the link below to access this week's learning, log in, and take part in our Friday spelling quiz.</p> <p>Here are the sounds we've been practicing in our spellings. Click on each link to complete the spelling activities and add to your google class page.</p> <p>Words with the digraph 'ei' and tetragraph 'eigh'</p> <p>Words where the digraph 'ey' makes an /ai/ sound</p> <p>Words with the suffix '-ly'</p>
<p><u>Maths</u></p> 	<p>In Maths, we have been learning about number bonds, multiplication and Division, addition and subtraction. Feel free to click any of the links above to revisit and practice these skills using the interactive learning tools. You can play these games as many times as you like—challenge yourself to beat your previous score! Good luck!</p> <p><i>Don't forget to practise your times tables every day on TT Rockstars!</i></p>
<p><u>Topic</u></p> 	<p>In Geography, we are learning about 'Our world'. Over the next few lessons we will be looking at the world time zones and how they are different across the globe. Let's begin by using the link above to find out more and then why not discover our next lesson here.</p> <p>In History, we studied the three parts of the stone age. Click on each of the different stages of the stone age (paleolithic, mesolithic and neolithic) to remind of the learning we have already completed. Don't forget to tell your gown up all the fun facts we studied.</p>
<p><u>Science</u></p> 	<p>In Science, we have been exploring rocks and soils. Complete the two lessons videos and slides on How fossils are formed and Mary Anning. Use these lessons to revisit what you already know and get ready to share your learning with me.</p> <p>Explore some more learning here on BBC Bitesize and why not take the quiz to see what else you can recall from your learning.</p>
<p><u>Other</u></p> 	<p>Don't forget to read, read, read whilst you're at home! This might be magazines, books, websites or even recipes if you do some cooking with your family! You can write all of this in your reading record and earn some raffle tickets when you're back at school!</p> <p>Don't forget you have access to <i>TTRockstars</i>, <i>Numbots</i>, <i>MyMaths</i> games and more!</p>
